Introduction

This document sets out the Scottish Public Services Ombudsman's annual business plan for the period from 1 April 2024 to 31 March 2025. It sets out what we will do this year to deliver our strategic vision and aims. It should be read in conjunction with our Strategic Plan 2020-2024.

Vision

The Scottish Public Services Ombudsman contributes actively and positively to high performing Scottish public services. Recognised for our innovative world-leading approach, we put people and learning at the heart of all we do.

Strategic themes

1. Access to justice through everyday rights
2. Agile capacity
3. Standards and impact
4. Efficiency

Values

SPSO Strategic objectives 2024-2028

- We will develop and adopt rights-based approaches to complaints handling; updating and monitoring Model Complaints Handling Procedures and Model National Whistleblowing Standards to ensure rights are reflected in accessibility to public bodies complaints handling.
- 1 Procedures and Model National Whistleblowing Standards to ensure rights are reflected in accessibility to public bodies complaints handling.
 - 2 We will make our own services as accessible, and rights based as they can be, promoting awareness of the right to complain.
 - 3 We will continue to develop stakeholder relationships to contribute to development of fair, accessible Scottish public services, and wider access to justice environment.
 - 4 We will push for legislative change to enable us to make our services and those of other Scottish public bodies accessible and rights based.
 - 5 We will build and maintain our capacity, financial, human and infrastructure, to implement and deliver our statutory functions, taking an agile and flexible approach.
 - 6 We will be acknowledged for having well-trained, properly supported people, who have the tools they need to deliver our services.
- We will review and develop the support, guidance and training we offer to public bodies, complainants, and whistleblowers to enable them to develop their own capacity, to handle service complaints, whistleblowing concerns and applications to the Scottish welfare fund.
- 7 enable them to develop their own capacity, to handle service complaints, whistleblowing concerns and applications to the Scottish welfare fund.
 - 8 We will monitor Scottish public bodies' complaint handling, Scottish Welfare Fund applications and whistleblowing handling, holding them to account for poor performance and giving credit for good performance.
 - 9 We will review the Model Complaints Handling Procedures and National Whistleblowing Standards, to ensure they remain fit for purpose.
 - 10 We will contribute to the development and/ or review of other standards and guidance to ensure they deliver services to the standards required.
 - 11 We will develop our capacity to gather and share information and data to enable us to make efficient and impactful interventions when complaint, and Scottish welfare fund services handling falls below accepted standards.
 - 12 We will promote good practice to drive efficiency in public sector complaints and Scottish welfare fund applications handling, to ensure learning is captured and applied to service delivery improvements.
 - 13 We will manage the organisation to deliver our statutory functions within budget in line with legislative requirements, our published customer service standards, and our performance targets.
 - 14 We will keep our approach under review to drive efficiency and ensure business continuity, taking an agile and open-minded approach to business and process development.

Resources

Total SPSO budget for 2024-25 is £7,395,000 broken down as follows:

- Staff costs £6,118K
- Running costs £564K
- Bridgeside House costs £713k (managed by SPSO on behalf of others)
- Less Total estimated SPSO income (£80k)

Equalities Commitments

- 1 Take proactive steps to identify and reduce potential barriers to ensure that our service is accessible to all.
- 2 Identify common equality issues (explicit and implicit) within complaints or reviews brought to our office and feed back learning from such cases to all stakeholders.
- 3 Ensure that we inform people who are taking forward a complaint or review of their rights and of any available support, and that we encourage public authorities to do the same.
- 4 Ensure that we play our part in ensuring that service providers understand their duties to promote equality within their complaints handling and review procedures.
- 5 Monitor the diversity of our workforce and supply chain, and take positive steps where under-representation exists.

Cases not selected for closure by DCR are either: a) for priority allocation b) normal allocation or c) for allocation - limited further work needed. The addition of option c) has allowed UPP to more easily identify cases suitable for working. The UPP project has / will remained operational because the increased volume of incoming cases has meant the unallocated pool has not has not yet gone down to a low enough level / waiting time. Having DCR identify cases where limited further work will likely be needed will be helpful whether or not the UPP project remains operational.
